ORDER

16-CV-2362 (RA)(KNF)

On June 22, 2017, plaintiff Wilfredo Torres filed a motion for an order permitting him to file a second amended complaint. The motion is not a letter motion, as contemplated by Local Civil Rule 7.1(d) of this court. On July 5, 2017, defendant Bellevue Hospital submitted a letter to the Court "[p]ursuant to Local Rule 7.1(d) . . . in lieu of more formal opposition to plaintiff's Motion for Leave to File a Second Amended Complaint." Local Civil Rule 7.1(b) explains that, "[e]xcept for letter-motions as permitted by Local Civil Rule 7.1(d) or as otherwise permitted by the Court, all oppositions and replies with respect to motions shall comply with Local Civil Rule 7.1(a)(2) and (3)." Defendant Bellevue Hospital's July 5, 2017 letter does not comply with the directive in Local Civil Rule 7.1(b) respecting opposing a motion filed with the court. Therefore, the Court will not entertain that letter.

Defendant Bellevue Hospital shall review Local Civil Rule 7.1 of this court and, on or before July 12, 2017, submit a conforming opposition to the plaintiff's motion for an order permitting him to file a second amended complaint. The plaintiff's reply to defendant Bellevue Hospital's opposition shall be served and filed on or before July 19, 2017.
